In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

***Hot rolled products of non-alloy structural steels
(EN 10025-2)***

placed on the market under the name or trademark of

Stahl Gerlafingen AG

and produced in the manufacturing plant

Gerlafingen (Schweiz)

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard
EN 10025-1:2004

under system 2+ are applied and that the factory production control is assessed to be in conformity with applicable requirements.

This certificate will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.
