

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), Apave Italia CPM Srl, Notified Body by the European Commission with number 0368, issues the following

CE CERTIFICATE
of conformity of the factory production control
0398/CPR/MP/15.013

CE 0398

<i>Manufacturer / Adress</i>	LAMINES MARCHANDS EUROPEENS B.P. 1, 59125, TRITH SAINT LEGER FRANCE (EE)
<i>Manufacturing plant(s)</i>	Annex A, 2, Rue Emile Zola BP1, 59125, Trith Saint Léger, -
<i>Product (s)</i>	HOT ROLLED PRODUCTS OF STRUCTURAL STEELS
<i>Intended Use(s)</i>	use in metal structures or in composite metal and concrete structures

This certificate attests that the products listed above are submitted by the manufacturer to the factory production control, the initial type-testing and to the further testing of samples taken at the factory in accordance with a prescribed test plan that the Notified Body Apave Italia CPM srl has performed the initial inspection of the factories and of the factory production control and performs continuous surveillance, assessment and approval of the factory production control, and that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s).

EN 10025-1:2004

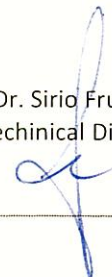

under system 2+ are applied.

This certificate was first issued on **29/08/2006** and will remain valid until the conditions defined in the harmonized standard, of the construction product, of manufacturing in the plant or the methods of evaluation and verification of the constancy of production are significantly modified, unless it is suspended or withdrawn by the Notified Body. It is possible to check the validity status of the certificate at: <https://geco.apave.online/>.
